Word of Life. . .

When it is a matter of contexts that concern the human being, scientists can never think that they are merely dealing with inanimate and manipulable matter. In fact, [...] the very first instant of the human being's life is characterized by the fact that it is human life and for this reason possesses its own dignity everywhere and in spite of all.

Do you have trouble hearing at Mass?

We may have a solution! When our sound system was upgraded we opted to get a transmitter and receivers for people who have trouble hearing. The receivers are available for purchase. All you have to do is come to church with your receiver and put the ear bud in your ear and you will be able to hear every word of Father's homily and all the music and lyrics being sung. If you have questions about the receiver and would like another parishioner's opinion, call Joe Hawkins at 745-4220.

Pentecost Sunday Is May 23. . .

To help in the celebration of this event, we're asking that people wear red to Mass that weekend. Thank you.

Blessed Mother, Mary, Queen of Peace*
