## Family Life Program. . .

The Church has good news to proclaim about the family and about human love and sexuality. This good news is important for our children to learn as they are bombarded with many mixed messages from contemporary culture, media, and a variety of powerful voices. Catholic sexuality education helps one to understand that sexuality is a gift from God, a precious dimension of human life that requires reverence and care. It sets forth the call to chastity and recognizes the critical importance of the family and particularly parents in the education of their children in human sexuality. Unless the family instills the right attitudes, unless the root values and beliefs of the faith are established in the early years of childhood development in the home, other forms of Christian education can scarcely be effective.

In helping parents with this critically important responsibility, the Archdiocese of Indianapolis is implementing revisions to the guidelines for chastity and sexuality education in our schools and faith formation programs. Our parish faith formation program will be implementing Benziger *Family Life* series to provide catechesis on sexuality for children in grades 5-8. This series has been approved by the United States Catholic Conference of Bishops for both content and methodology. The role and responsibility of parents in the education of their children regarding faith and sexuality is critical.

All parents of students enrolled in grades 5-8 are invited to a Parent Meeting to be held on January 10 in the Parish Hall from 1 pm to 2 pm. The program and outline of the curriculum will be discussed, and an explanation of the role of parents will be given. Your presence at this meeting is very important as your witness is critical in the education of your children.

### Friends of St. Anthony. . .

Will be helping individual families and Catholic Charities Christmas Store that opens December 1st. Your donation of presents, gift cards, or money will help in many ways. Donated items should be new, with tags left on them so families can exchange sizes if necessary. Christmas paper will be provided for families to wrap the gifts they have chosen for their children. I have contacted the chair person and our tags on the tree will be items that are especially needed in the Christmas store. Friends of St. Anthony thank you for your giving spirit. "It is Christmas every time you let God love others through you ...yes, it is Christmas every time you smile at your brother and offer him your hand." Mother Teresa of Calcutta (1910-1997)
