Archives. . .

Once upon a time we had a group of wonderful people who worked very diligently at organizing our history with photos, bulletins, old minutes from meetings etc...So much material was identified, organized and placed in acid free books. We are getting to a point again of needing help where the other group left off. If you love history and research. If you are organized, we need you. In four years we will celebrate 75 years as a parish and it would be great to have our history on display as we celebrate 75 years as a parish. If you think you might be interested, please call the office at 745-4284.
